NEW

TANU™ Blunt Tip Knife

The Tanu features corrosion-resistant, 304 stainless-steel for salt water adventures. With a long continuous blade and a mountable sheath, the Tanu is a multifunctional tool for fishing, paddling, dive, or rescue. For dive enthusiasts, pair this knife with its multipoint B.C.D. adaptor plate for easy mounting options on virtually any brand of equipment. With this optional kit, attach the Tanu to the integrated knife mount, inflator hose, or shoulder strap for quick access under water.
